Footballers as Role Models

Who might you be a role model to?

twinkl.com

Footballers should always be on their best behaviour both on and off the pitch. What are your thoughts about this statement?

Footballers are only role models on the pitch. What do you think?

All footballers should set up charities to help others. What do you think?

Footballers should help children and young people become footballers or they can't play. What do you think?

Footballers don't have to listen to anyone because they are good at what they do. What do you think?

What is a role model?

Only famous people can be role models. What do you think?

Is a footballer who broke the law still a role model?

Having lots of money makes you a better role model. What do you think?

Playing for the best team is the only time you need to be a good role model. What do you think?

You aren't a role model if you're not on a winning team. What do you think?
